Above Candidates have just registered for CAP but have not completed the CAP application form and not filled in Option Form and not uploaded the required documents as detailed in the Information Brochure and Notifications published on the CAP Portal, Hence the separate list is being published to alert such candidates. . Such candidates should complete their application form and option form and finally submit the same to be eligible for Round II as per the updated schedule. If the Candidates fail to do so they will be out of CAP Process and candidates themselves will be responsible for the same.**
